

The Ghana Institution of Engineering (GhIE) Hosts GIC 2020

The GhIE, the Ghana Transportation Forum Professionals (GTPF) and the Africa Centre of Excellence, Regional Transport Research & Education Centre Kumasi (TRECK), Kwame Nkrumah University of Science and Technology organized the four day Ghana Infrastructure Conference (virtual edition) from Aug. 11-14, 2020 themed:

Planning and Implementation of Sustainable Transportation Infrastructure

The conference attracted Professionals, policy makers and students from diverse backgrounds interested in discussions, presentations and workshops about the socio-economic impacts of transportation and how to contribute to the development of the transportation sector and subsequently impact national development.

Speakers at the conference included Hon Joe Gharthey, Minister for Railways Development, Ing. (Mrs.) Carlien Bou-Chedid; President-elect of FAEO and Past President of the GhIE and Ing. Leslie Alexander Ayeh; President of the GhIE.

The Conference attracted an average of over 250 online participants worldwide.

Over 20 presentations and papers were submitted and are available for download from here:
